

ACADEMIC SUPPORT OPTIONS

FOUNDATION BOOST

Is a course taken in addition to core academic courses to help students remediate gaps in key academic skills and concepts.

INSTRUCTION BOOST

Doubles the number of instructional sessions students have with their teacher to slow down the pace of a course.

TUTORING

Offers additional sessions for students to review content taught in a previous session, but not yet mastered.

GUIDED STUDY

Provides homework support in a structured environment to improve students' attitudes about learning and school, and to help them develop the tools and strategies needed to achieve academic success.
